It is my demand that the school contacts me (father/mother/guardian) first and the emergency person, concerning my child(ren)'s wellbeing before contacting the doctor/hospital. If all fails, it is the school's responsibility to look after my child(ren)'s well-being, and act accordingly to its best judgment of the practical situation. I declare to the school that all information given above is truly correct. The school bears no responsibility on this and will not be charged for any wrong doing, if the above information is not genuine. The school will keep the above information confidential.
